

Selected Reportable Diseases in Maine, Year to Date (YTD) and Five Year Median through December 2017

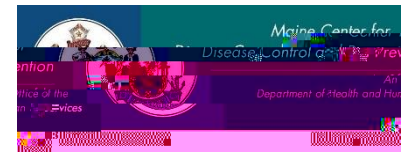

Table 1: High volume diseases (more than 50 cases in 2016)

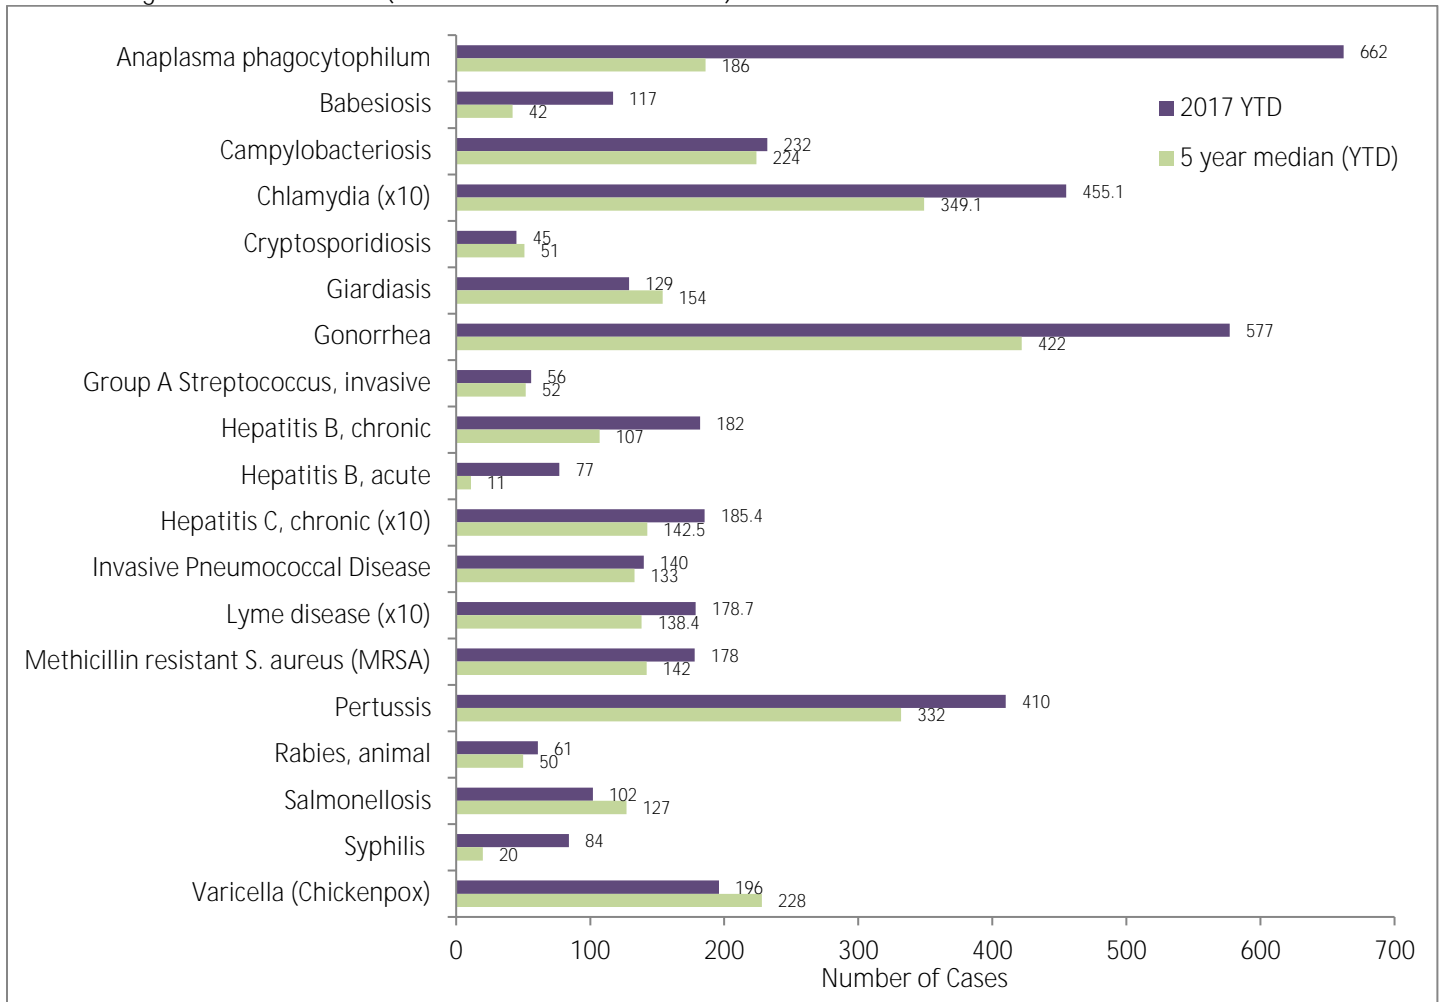

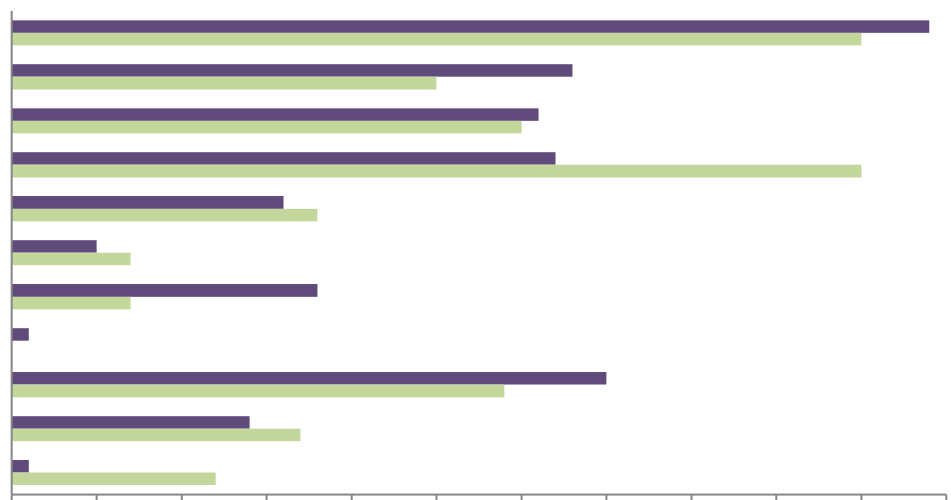

Table 2: Low volume diseases (10-50 cases in 2016)

*Carbapenem-resistant Enterobacteriaceae (CRE) and Zika do not have 5 year medians available so 2016 YTD is used
Data are preliminary as of 1/16/2018
